Summary: A short poem with a not-very-creative title... I haven't submitted in a loooong time!

Together

Together we fight, together we stand,
> Alone we are, and our cause glorious:<br> To keep the enemy from our land.
> Glorious the cause may be--<br> The battles are hard.
> Sights that no-one wants to see<br> In my eyes are mirrored.
> Terrible the sights may be, and hidious:<br> But we will fight forever, hand in hand.
